## Insight launches USA and Canada

MASSIVE growth last year in Australians taking Insight's America and Canada programs has led the wholesaler to this year offer North American air-inclusive programs for the first time.

Insight has this year added 10 new and revised itineraries, and is also in 05/06 including VIA Rail as well as Rocky Mountaineer options.

The programs include expansion

### Fast-tracked training

TRAVELMANAGERS has engaged TA Fastrack to develop training modules for its new network of agents around Australia.

Adrian Caruso is providing Travelmanagers with a customised version of the TA Fastrack profit system and manual for people with an established client database, as well as helping Travelmanagers with training and coaching to help with the marketing, sales and development of their business..

The firms say they believe the move will cement Travelmanagers position in Australia.

particularly on the east coast, incl a new historic cities of Eastern USA tour, and md Lorraine Sharp said hotels in the programs have been upgraded again to offer character, location and service, while all programs continue to offer 40-seat coaches and premium highlights.

### TMS farewells top temp

ABOVE: TMS Asia-Pacific in Brisbane last week farewelled "Top Temp" Robyne Aitken after two years with the temp team.

Robyne secured a position with Julie Fletcher, dr of three HWT outlets in Brisbane.

Pictured above from left: Julie Fletcher, Robyne Aitken and Amber Kerr, TMS Asia-Pacific.

## NSW tourism talkfest

THE Tourism Industry Council (NSW) will host a major State Tourism Conference in Wollongong on 01-02 Sep, and is strongly urging members of the NSW tourism industry to participate.

TIC president Dennis Winchester said topics to be raised will include tourism's future direction, growth, investment and managing public lands for tourism recreation.

Tourism Australia md Scott Morrison will be one of the speakers, and there will also be workshops on effective lobbying, distribution and partnerships and growing business thorough destination.

## SAS fare restructure

SCANDINAVIAN Airlines has launched a "unique one-way fare structure" on all its European services, eliminating former rules requiring travellers to fly in the same class on both legs of return journeys.

Other rules including minimum and Sat night stays have also been eliminated.
