### Another US crash

DISCOUNT US carrier Independence Air has become the latest US airline to go bankrupt.

Independence said it plans to fly its normal schedule for the next couple of months as it attempts to auction itself off to potential investors through a court process.

## TD's \$10,000 coaching winner

THANKS to everyone who sent in entries for our Oct business coaching competition, which was run in partnership with TA Fastrack.

We received dozens of submissions from aspiring travel business owners across the country who wanted to emulate the success of last year's winner Janene Pendleton of Harvey World Travel Bankstown.

Business coach Adrian Caruso has pored over the entries and decided

to award the prize to **Ronnie Malthouse of Jetset Belmont and Midland** in WA.

The runner up was **Wendy Kiss of Travelworld Gosford** on the NSW central coast, who will receive a TA Fastrack Profit System manual. Jetset Belmont and Midland now have a few months of hard work ahead, with regular coaching

sessions from Adrian Caruso, all keenly observed by TD which will track the businesses' progress and report back to our readers.

### Win a trip to Europe!

THIS month's *Travel Daily* competition is sponsored by Insight Vacations, and is offering the lucky winner two tickets from Australia to the UK as well as a seven day tour of the UK.

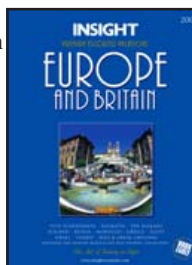

Insight's 06 *Premium Europe and Britain* program offers travellers an extensive range of premium escorted vacations in a variety of styles; *Discovery, Regional, Easy Pace* and *Country Roads* itineraries.

The subscriber who sends in the best photo featuring the Insight Vacations 2006 Europe and Britain brochure will win, and there will also be extra credit given if the photo includes a copy of TD!

Full competition details can be seen at [www.traveldaily.com.au](http://www.traveldaily.com.au) and entries can be emailed to [insightcomp@traveldaily.com.au](mailto:insightcomp@traveldaily.com.au).

Photos don't have to be taken in Europe - your office will do, or a famil, or an industry function....

**So get snapping!**
